ARTICLE 2
SEPARABILITY AND SAVINGS

If any provision of this Agreement is subsequently declared by the proper legislative or judicial authority to be unlawful, unenforceable, or not in accordance with applicable statutes or ordinances, all other provisions of this Agreement shall remain in full force and effect for the duration of this Agreement.

ARTICLE 3
NON-DISCRIMINATION IN EMPLOYMENT

Wherever this Agreement refers to the male gender, it shall also mean the female gender.

ARTICLE 4
EMPLOYER RIGHTS

Except to the extent expressly abridged or modified by a specific provision of this Agreement, the Employer shall have, in addition to all powers, duties, and rights established by constitutional provisions, statute, ordinance, charter, or special act, the

exclusive power, duty, and right to: plan, direct and control the work of its employees in positions within the public agency; discipline, suspend, or discharge employees for proper cause; to develop and enforce rules for employee discipline, maintain the efficiency of governmental operations; to schedule working hours and require overtime work; determine employee qualifications; to determine the number of employees to perform the assigned work; relieve employees from duties because of lack of work or for other legitimate reasons; to determine what work or services shall be purchased or performed by the unit employees; to change or eliminate existing methods, equipment, or facilities; determine and implement methods, means, assignments, and personnel by which the public employer operations are to be conducted; take such actions as may be necessary to carry out the mission of the public employer; initiate, prepare, certify and administer its budget; exercise all other powers and duties granted to the public employer by law.

ARTICLE 5 NO STRIKE

The Union and employees agree to faithfully abide by the applicable provisions of the Act. Neither the Union, its officers or agents, nor any of the employees covered by this Agreement, will engage in, encourage, sanction, support, or suggest any strikes, slowdowns, boycotting, sit-ins, concerted group absenteeism, the willful absence from one's position, work stoppage, or any such related activities covered in Section 12 of the Act.

ARTICLE 6 GRIEVANCE PROCEDURES AND ARBITRATION

The parties agree that an orderly and expeditious resolution of grievances is desirable. All matters of dispute that may arise between the Employer and an employee regarding a violation of an expressed provision of this Agreement shall be adjusted in accordance with the following procedure:

Informal: An employee shall discuss a complaint or problem orally with the Department Head or his designated representative within the seventy-two (72) hour period following its occurrence, or from when the employee should have been aware of its occurrence, in an effort to resolve the problem in an informal manner.

Grievance Steps:

Step 1. If the oral discussion of the complaint or problem fails to resolve the matter, the aggrieved employee shall present a grievance in writing to the Department Head or his designated representative within seventy-two (72) hours following the oral discussion. Within ten (10) days after this Step 1 meeting, the Department Head or his designated representative will answer the grievance in writing. A written copy of the grievance will be given to the Department Head. The grievance must state the Section of the Agreement allegedly violated and the remedy sought.

Step 2. Any grievance not settled in Step 1 of the grievance procedure may be referred to arbitration, provided the referral to arbitration is in writing to the other party and is made within seventy-two (72) hours after the date of the Department Head's or his designated representative's answer given in Step 1.

All grievances must be taken up promptly and awards or settlements thereof shall in no case be made retroactive beyond the date on which the occurrence giving rise to the grievance was first presented in written form as provided in Step 1 of the grievance procedure. If a grievance is not presented within the time limits specified in this Article, it shall be considered waived. If a grievance is not appealed to the next step within the specified time limits, it shall be considered settled on the basis of the Employer's last answer. If a grievance at Step 1 is not timely answered by the Employer, it shall automatically be referred to Step 2.

After either party hereto has notified the other of its referral of a case to arbitration, the parties will meet within ten (10) days after receipt by either party hereto of notice of referral of a case to arbitration to select an arbitrator or to request in writing the Iowa Public Employment Relations Board to furnish a suggested list of names of seven (7) arbitrators from which list the parties shall select one (1) arbitrator. Such selection shall be by agreement, if possible; otherwise, by the parties alternately eliminating names from the list. The Union is to strike the first name.

After each party has eliminated the names of three (3) arbitrators from the list, the arbitrator whose name remains on the list shall be accepted by both parties as the arbitrator to hear and decide the pending case.

The fees and expenses of the arbitrator will be shared equally between the Union and Employer. Each party shall pay its own cost of preparation and presentation for arbitration. The arbitrator shall have no power to change, alter, ignore, nullify, detract from or add to the provisions of this Agreement. The arbitrator's decision will be final and binding.

All grievance and arbitration meetings under this Article are to be held in private and are not open to the public.

The time limits at any step in the grievance and arbitration procedure may be extended on a specific case basis, upon mutual agreement of the Union and Employer.

In the event that any employee takes action with the Civil Service Commission on any complaint or takes action through any governmental agency regarding violation of his/her rights, then all rights to this contractual grievance procedure shall be waived and no grievance shall be allowed regarding the issue.

Arbitration of a grievance must be authorized by the Local Union Business Agent or the Union Executive Board.

ARTICLE 7
SENIORITY

Seniority means an employee's length of regular continuous service with the Employer since their last date of hire. Seniority shall be administered on a job classification basis with regard to time in grade.

All employees except deputy sheriffs shall serve a probationary period of six (6) months. A deputy sheriff shall serve a probationary period of nine (9) months provided the employee has successfully completed training at the Iowa law enforcement academy prior to hire. If the employee has not successfully completed training prior to initial appointment, the probationary period shall commence with the date of initial employment and shall end after nine (9) months following the date of certification. Employees may be terminated during the probationary period without recourse to the grievance procedure.

When the working force is to be reduced, the Employer will select what job classification is to be reduced. The employee with the least job classification seniority will be removed first, providing the work in the classification can be satisfactorily performed, in the judgment of the Employer. On recall from layoff, employees will be returned to work in the reverse order of layoff, if qualified to perform the work available. Probationary employees have no recall rights.

Employees to be recalled after being on layoff shall be notified as far in advance as possible by notice in writing sent by certified mail, return receipt requested, to the last address shown on the employee's record. The employee must respond to such notice within three (3) days after receipt thereof and actually report to work in seven (7) days after receipt of notice, unless otherwise mutually agreed to. In the event the employee fails to comply with the above, he/she shall be terminated and lose all seniority rights under this Agreement.

An employee shall lose their seniority and the employment relationship shall be broken and terminated as follows:

- (a) Employee quits.
- (b) Employee is discharged for proper cause.
- (c) Engaging in other unauthorized employment while on personal leave of absence or giving false reason for obtaining personal leave of absence.
- (d) Two (2) consecutive days per year of absence without notice to the Employer, unless evidence satisfactory to the Employer is presented that the employee was physically unable to give notice. The two (2) consecutive days is limited to only one (1) occurrence in the twelve (12) month period following the occurrence.
- (e) Failure to report for work at the end of leave of absence.

- (f) Failure to report to work within two (2) weeks after being notified to return to work following layoff, when notice of recall is sent to employee's last known address, according to Employer records. It is the employee's responsibility to keep the Employer informed of their current address and phone number.
- (g) Seniority rights will be forfeited after the continuous period of layoff or absence from work exceeds twelve (12) months or length of service, whichever is lesser.

If an employee is transferred out of the bargaining unit, his/her seniority continues to accumulate.

After the first consecutive thirty (30) days of unpaid leave of absence, seniority shall not accumulate.

Ambulance Service: EMTI/P Billing Clerk is a bid job that will be filled by seniority and qualifications from employees of the Ambulance Service. If there is not a current employee applying for the position of billing clerk, the employer may hire a new employee. Any current employee accepting the position of billing clerk will maintain and continue to accrue seniority. Any vacancy occurring in full time employment with the employer will first be offered to part-time employees before a new employee is hired.

ARTICLE 8 UNPAID LEAVES

Eligibility Requirements: At the sole discretion of the Department Head, employees shall be eligible for unpaid leave of absence after the employee's probationary period.

Application for Leave: All requests for leaves of absence not otherwise covered in this Article shall be submitted in writing by the employee to his/her Department Head for approval or disapproval. Request for such leave shall be submitted on a form supplied by the Employer.

Limited Leave without Pay: The Department Head may, at his sole discretion, authorize an employee's absence without pay for a period not to exceed thirty (30) working days, which can be extended by the Employer for like periods, up to a total of ninety (90) days in a fiscal year. If the Employer denies a leave of absence request, and the employee requests, the reason(s) for the Employer's denial will be put in writing. A leave of absence request should be made to the Department Head at least ten (10) calendar days before the leave is to commence.

Return from Leave without Pay: Upon return from leave of absence without pay, the employee shall return to his/her former job, if physically qualified, and if the position is vacant, or to another equivalent position, in accordance with his/her qualifications and ability, if there is a vacancy.

An employee granted an unpaid leave of absence shall not be eligible for fringe benefits, holiday pay, accrued retirement, vacation, sick leave, personal leave, during the period of such leave. Seniority shall not accrue while on an unpaid leave of absence.

If the employee does not return to work upon expiration of the unpaid leave of absence, he/she shall be terminated.

All full-time employees leaving the service of the County shall be paid for any credited vacation that is unused.

The employee will also be paid for all accumulated unused personal leave. All final payments for accumulated vacation and personal leave will be at the hourly rate of pay of employee at the time of termination. If the employer does hire a Director of Ambulance Service, all duties of the working foreman reverts back to the "Director".

The new longevity schedules for both the Ambulance Service and Sheriff's Department will be as follows: After four (4) years of service - \$.16 per hour. Then receive \$.04 per hour for each year of service completed in excess of four (4) years of service up to twenty-five (25) years of service.

APPENDIX A

This Appendix A is hereby added to, and becomes a part of, the Labor Agreement between Madison County, Iowa and Teamsters Union Local 238 effective July 1, 2006.

The following will be the annual procedure for calculating increases in wage rates for ambulance personnel:

The top annual salary for the two (2) top positions, EMT-P and EMT-I, will be multiplied by the appropriate percentage to get the new annual wage rate. The difference between the old and the new annual rate will be calculated and the dollar difference will then be added to each annual rate in the respective scale to determine the new annual rate for each level. That new annual rate will then be divided by the total annual hours, 3,280 hours, to determine the hourly rate for each level in each class.

Example:

EMT-P

2005

After 24 months

$$36339.57 \times 4\% = 1453.58$$

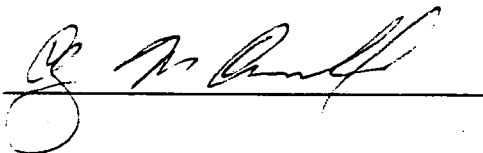

Add \$1453.58 to each step salary

The annual salary divided by 3280 hours = the hourly rate of pay.

The hourly rate is calculated for use only in the event of required overtime payments.

Dated this 30 day of May, 2006.
